Dear Parents of Long Island Hebrew Academy,

For the 2019-2020 school year, all parents wishing tuition assistance **MUST** prepare the proper tuition assistance paperwork. **THERE ARE NO EXCEPTIONS.** An independent and anonymous Tuition Assistance committee will review/approve all tuition assistance applications. All applications are kept strictly confidential. The eligibility of the early registration discount will be incorporated into the tuition assistance, if applicable. In addition, no one in the school's administration is permitted to give any discounts. All requests for tuition assistance must go through the tuition assistance process.

A timeline of the tuition assistance process is attached in the accompanying tuition letter. There will be no exceptions to this process and we will strictly enforce this process for the coming year. We are letting you know of this in advance so you may plan accordingly.

We have to do this to cover our growing costs, but still make LIHA more affordable than most Yeshiva day schools. This process will also make certain of the eligibility of students and families truly in need of tuition assistance.

We look forward to another great 2019-2020 school year!

Board of Directors - Long Island Hebrew Academy
